### Prerequisite Courses for the LPN to BSN Program

Students are highly encouraged to contact the Nursing Program to receive advisement about the transferability of the courses below.

DISCLAIMER: This is not an official degree audit. This is only intended for general advisement purposes. This audit may be subject to change, including, but not limited to, the addition or removal of course requirements, as determined by the catalog year during which the program is begun. An official signed audit will be forwarded by the Department of Academic Records at that time.

Students are responsible for awareness of admission criteria.
